

# 1 Peter - Foundations Part 2

1/13/19

## READ:

- 1 Peter 1:8-12
- John 4:16-26

## REFLECT:

- Are you someone who is looking forward to your future or wishing you could relive your past?
- Are we/you ever satisfied with what we have now? Or do we/you always want more?
- What does salvation of your soul mean? How can you live into this on a daily basis?
- Do you believe that God loves you for who you are? Despite everything you have done? Do you believe God loves all of you...your past, present and future?
- Do you recognize who He really is? Do you recognize your own brokenness? Do realize what he has done for you?
- Who has God put in your life who needs to hear/better understand the gospel message? How is God calling you to share with him/her?
- What part(s) of your life do you think is unworthy to be in the presence of God? Are you ready to repent and turn to God to say I'm sorry and ask for Him to heal you?

## RESPOND:

### *Monday Morning Application:*

- Repent from the things that bring you shame letting Christ make you into something new.
