

# 1 Peter - Attitude Part 2

2/10/19

## READ:

- 1 Peter 2:18-25
- Isaiah 53:4-9

## REFLECT:

- Daniel opened up his sermon with how recognition of how big God is. Has there been a time in your life where you have recognized the same thing?
- We are all slaves to something. Our passage this week can apply to all of us in different ways. Here is the list from Sunday...which one applies to you most?
  - One who is in a mountain of debt because of college and/or credit card loans.
  - One who does not have the job that he/she wants, but is able to provide for his/her family.
  - One who does not have a good boss or work situation.
  - One who believes that others have been given a better lot in life.
  - Etc.
- Daniel talked about how we all have been “dealt a different hand”. How can we take our current situation and bring glory to God in the midst of it?
- Are you currently suffering from something? How are you enduring it? How can people in the room with you now walk next to you through it?
- What is success to you? Where/how did you conclude that you or something you did was successful? What should change in your life to have more of a Kingdom perspective of success?
