

# 1 Peter - Application Part 2

3/10/19

## READ:

- 1 Peter 4:1-6
- Matthew 6:3
- 1 Corinthians 1:18
- 2 Timothy 3:16-17

## REFLECT:

- Peter wrote letters to encourage, and we all need encouragement. Do you have a cheerleader in your life that gives you encouragement? Could you be one for someone else and who would that be? If you gave encouragement or showed kindness wherever you go, how would that look?
- What is your challenge in living in today's world as a follower of Christ?
- Have you lost old friends because you have changed? Was that hard? Have they argued with you on how you are different and don't want to do what you use to do? Have you changed any habits or activities being a follower of Christ?
- How did your life look a decade ago in comparison to today? How do you want your life to look like a decade from now?
- Drew talked about how our hope and goal is to be transformed to think and act like Jesus. Have there been any habits or practices in your life that have made responding like Jesus "second nature"?
- Do you have confidence and peace because you know your hope is in Him? Or are you living in fear?

## RESPOND:

### *Monday Morning Application:*

- Leave behind whatever "way of life" that pulls you away from Jesus, and live by what Scripture says is right, true, and best.
