

# Romans VIII - Week 4

10/25/20

## READ:

- Romans 8:28-38

## REFLECT:

- What has brought you joy in the last week?
- How you used this prayer practice in your prayer life in the last month?
- When was the first time someone shared the Gospel or the hope they have in Jesus with you? How did they do that?
- What does it mean to have Jesus as Lord of your life? In what areas of your life is that difficult for you?
- How could you creatively share the love of Jesus with a neighbor or co-worker this week? As a group, brainstorm some ideas together.
- Out of the three truths that Daniel shared (God is in control. God allows us to choose to live according to His purpose or our own. As we live out our mission, we will find our highest calling.) Which is most encouraging to you and why?
- What does it mean, as Christians, to live as conquerors because of Jesus? How has the Church missed this in the past?

## RESPOND:

### *Daily Training:*

- Commit to sharing why Jesus is Lord to you with at least one person this week.
