

# Advent 2020 - Joy

12/13/20

## READ:

- 
- Luke 2:8-20
- Matthew 18:3
- Isaiah 9:2-3

## REFLECT:

- What is your favorite wedding memory? (besides your own if you are married?)
- How have you tangibly seen the kingdom of God through the children in your life? (i.e., your own, grandchildren, nieces or nephews, neighborhood kids)
- What might God be trying to teach you through these kids?
- How do freedom and joy work together?
- How might God want to use the joy found in Christ in order to reach the world?
- What are some ways that we can remember how good this Good News is for us today?
- What would you put in your joy bucket or bag? Why?
- How do you play? Is this something you do often or should you be prioritizing it more in your life? Is play Biblical?
- How can you make space for joy in your everyday life?

## RESPOND:

### *Daily Training:*

- Live Joyously
  - Create a joy bag
  - Play this week.
