

Why We Gather- Learning

1/3/21

READ:

- Colossians 2:8-10
- Colossians 2:20-23
- Colossians 3:1-4

REFLECT:

- Do you have and goals for 2021? What steps are you planning to take? How can the group come alongside you to help you achieve them?
- In your opinion, what is the purpose of the Church? What has shaped this view?
- Why is it important for the Church to gather? How did 2020 shine a light on the benefit of gathering?
- What Scriptures point to the purpose of the Church? Take some time as a group to look for these and read them.
- Why is it important for us to pay attention to what we are learning? How does learning help us grow as followers of Jesus?
- How can we keep our minds on things above? What might become distractions? How can we look up before we look left or right?
- Outside of the Bible, has there been any other books, speakers, pastors, or resources that helped you learn how to follow Jesus?
- Daniel said that we need to learn how to listen to His leading so we can have sound theology, consistent actions, and live our what is just according to Him. How can we take steps towards this as a small group?
