

Grace and Truth - Sexual Intimacy

2/14/21

READ:

- Genesis 1:27-28
- Proverbs 5:18-19
- Genesis 4:1
- 2 Peter 1:3
- Genesis 2:18, 21-25
- I Corinthians 6:9-11

REFLECT:

- What are some of your favorite activities when you are snowed in? Were you able to do those this week?
- Was sex something that was talked about in your home growing up? If you grew up in the Church, was it talked about there? If so, how?
- How has God's idea and vision for sex been distorted by the world? How has it been distorted by the Church or Christians?
- Why do you think that one's sexuality or focus on sex is so important in our world today? How can Scripture help us reframe this?
- How does abiding in Christ (see John 15) allow us to reframe our sexuality or our sexual temptations?
- Daniel mentioned four purposes for sex, reproduction, intimacy, pleasure, and worship. What are your thoughts around these? Have some been more difficult for you to experience than others?
- How can Christians help one another in our pursuit of sexual wholeness and holiness?

RESPOND:

Daily Training:

- Pursue holiness in all areas, but give special attention this week to the sexual temptations in your life. Trust in God's Word as your defining truth.
