Community:

- Do you use and apps on your phone for spiritual formation (prayer, Bible Reading, etc.)? if so, what are some of your favorites?
- What does fellowship or Koinonia with God and others look like? How does living in the light, as Jesus did, allow us to live into this more fully?
- We are called, as follower of Jesus, to obey the His commands? What are some of Jesus' command for us to follow? Spend some time as a group researching this.
- Which of those commands are more difficult for you to obey? Why do you think that is? Do any of the seam easier to follow?
- How does Jesus demonstrate this new command on how to love one another throughout His time here on earth? Do you notice patterns for character qualities?
- Why is it important for us not to just have True Teaching without True Living or True Loving? How has this been damaging to the Church and our witness to culture around us?
- Have you ever been in a place where you truly hated someone or felt hated by someone? How did you work that out? If healing happened, describe that process to the group.
