

# Move and Breathe - Philippi

4/18/21

## Learning:

- Acts 16:6-35
- Philippians 1:21

## Community:

- How has the church gatherings changed over the last 20 years? Are there any aspects that you miss? What have been some welcomed changes?
- Do you feel like you have a good sense of when God opens or shuts a door (opportunity)? What are some of the ways that you discern this? Does Scripture offer any “best practices” for this?
- Are there people in your life that you feel are open to God, but do not know that Jesus is the final piece of the puzzle?
- What are some ways that you go about “sharing what you know” with others? Do you have any stories of where this had led to a good conversation?
- Drew talked about how Paul and Silas, to show love towards their enemy, stayed in prison when they could have left. Has anyone ever showed you that sort of love? How did that make you feel?
- How could followers of Jesus do a better job of celebrating that amazing work that God has done? What might keep us from doing so more often?
- Did you make a decision for Jesus on Sunday or reach out to anyone the Lord might have put on your heart before lunch?
