

Philippians - Week 2

3/29/20

READ:

- Philippians 1:12-20

REFLECT:

- How do you rest in God? What has that looked like in this last week?
- How would you define what the Gospel is? Read 1 Corinthians 15:1-5...is your definition similar?
- How might God be using you to influence those that you do not know at this time?
- What might be some ways today that the Gospel is shared, but not in a way or fashion that you agree with? How could God use that for good?
- In what ways do we try and defend God? Why do you think we do this?
- How do we know if our motives come from a kingdom perspective? How can we help each other, as brothers and sisters in the faith?

RESPOND:

Daily Training:
