

Philippians - Week 3

4/5/20

READ:

- Philippians 1:21-30
- Matthew 21:1-11
- 1 Corinthians 11:23-26

REFLECT:

- What memories do you have of Palm Sunday?
- For you, how do you hear “to live is Christ, but to die is gain? What makes this truth difficult to walk in?
- As you sit and reflect on the changing times, are you able to look back and see how God was using you in your daily routines and activities? Once we get back to some normalcy, how would you like to be more intentional in these areas?
- How is God trying to use your life, right now, to continue to build His Kingdom? How can you be on mission now?
- Practically, how do we, as followers of Jesus, stand in unity or one accord? What are some of the things that tear us apart or divide us?
- Who is God calling you to gently “walk beside” right now? How can you love and so God’s mercy and grace to them...even if they don’t believe or follow Him?
- Can you think of other stories in the Bible where Jesus subversively went about changing the culture or the way that people think?

RESPOND:

Daily Training:

- Live a life worthy of the gospel by humbly and subversively living in unity as followers of Jesus. Doing so in what we do, say, and post.
