

# Philippians - Week 7

5/3/20

## READ:

- Philippians 3:1-11
- John 6:1-15

## REFLECT:

- What was something that brought you joy this week?
- How would you describe holiness? Who is a person that comes to mind when you think of holiness?
- How do you see yourself today? How are you fitting into the Kingdom of God?
- Why did Paul list his resume out for us in verse 5 and 6?
- Why do we put so much confidence in our flesh or resume?
- How does recognizing our limitations allow God to use us more in the world around us?
- How do we position ourselves to not make the Gospel about us, what we want, or what we desire?
- What things in life would be difficult for you to lose for the sake of Christ? How do we start to loosen our grip on these things?
- How did Paul get to this place in his life? Is there anything that we can do or put into practice that would allow us to have the same mindset?

## RESPOND:

### *Daily Training:*

- With one action a day, point others to Christ without letting others know it was you.
