- Are you more of a visual learner or auditory learner?
- How did confession go last week? Was there anything that stood out to you or surprised you?
- How is proximity different than presence? Why is this important as a follower of Jesus?
- What often causes you to harden your heart? Have you noticed any unhealthy patterns or habits that might be the cause of this?
- Is there anyone in your life that can speak some hard truth in your life? If not, why? If yes, who and how did that relationship form?
- How has your life circumstances jaded your view of God the Father? How can we use Scripture to reshape this for us?
- How can we learn to listen better? Are there any examples in Scripture that can give us some insight on how to listen to the voice of God?
