- Acts 2:40-42
- 2 Corinthians 8: 2-4
- Ephesians 3:8-9

Community:

- If you had to recommend one movie for someone to watch, what would it be? Why?
- Have you ever had the opportunity to share how Jesus has changed your life with someone else? How did it go? How did they respond?
- Daniel used a quote from the Interpreters Commentary that we are too often looking to add years to our life instead of adding life to our years. Do you agree or disagree? What does it mean to add more life to our years?
- How has the Church mirrored culture in our view and experience of fellowship or community? What steps could we take to begin to redeem it?
- Daniel said that some aspects of authentic community or Koinonia are; authenticity, accountability, vulnerability, and depth. Which of these present in your life? What steps might you need to take ensure that they are?
- In your opinion, what are some obstacles to experiencing Koinonia with others? How could love, as demonstrated by Jesus, be a solution?
