4/4/21

Learning:

- Luke 24:9-12
- Luke 24:18-31
- Luke 24:45-49

Community:

- Is there an aspect of the Easter story that you have always been drawn to or interested in? Why?
- Daniel mentioned four different options (deny, investigate, miss it, live into it) when it comes to how we view Easter. What view have you had most of your life? Is that different today? If so, what brought about the change?
- On the road to Emmaus, the two travelers missed Jesus when He was right there. Where might you tend to miss Jesus when He shows up?
- They all finally noticed who He was after he broke the bread and blessed it. Where do you usually experience or notice His presence?
- Is there anyone in your life that you could share with or demonstrate the reality that Jesus has risen and is alive today? How can the group help support and empower you to take this step of faith?
