

# My Favorite Verse - Romans 12:12

September 2, 2018

## READ:

- Romans 12:9-16
- Philippians 4:6-7
- Matthew 11:28-29
- James 1:2-4
- Galatians 5:22-23

## REFLECT:

- Drew talked about how his time in Oregon was very formational in his life. What has been a formational time in your life?
- What is hope? What is the difference in joy and happiness? How do we "be joyful"? What are you hopeful for right now?
- Are you able to rest in Him while you wait and trust? Or do you try to fix it all right away on your own?
- Read James 1:2-4. What does it mean to let perseverance finish its work in your life or situation?
- Are you faithful in prayer? What does it mean to be faithful in prayer? Is this easy for you or a struggle? Do you share all your worries, concerns, praises to Him?

## RESPOND:
