

Joy - Salvation

2/2/20

READ:

- 2 Samuel 12:13-14
- Psalm 51:1-12

REFLECT:

- Did you write on the Joy wall? If so, what did you write? If not, tell the group something that brings you joy.
- How does the world define joy? What is a biblical definition of joy? How are they different?
- How does sin rob of us of joy? How has pain made you realize there was a sin in your life that needed to be addressed?
- What does the “joy of our salvation mean?” What are you being saved from?
- **Journey of Healing to Joy**
 - Healing requires **contrition**. (Feeling remorseful and penitent) When was the last time you were broken by your own sin?
 - After contrition comes **confession**. Our sins have consequences - are you willing to accept them?
 - After confession comes **cleansing**. Have you ever cried out to God to purify you?
 - Recognize God has **created** something new in us. Do you recognize that He is the one doing the healing? How do we walk as a New Creation?
- What area of your life are you not giving over to God? What will it take for you to walk thru the process of healing journey leading to joy?

RESPOND:

Daily Training:

- Identify one area of your life you are not giving over completely to God. Commit to go through the process of healing with Him leading to restorative joy.
