

Joy - Thanksgiving

2/16/20

READ:

- Psalm 100:1-5
- John 10:1-11

REFLECT:

- Have you had an event that brought you great joy? How did you express it? Who did you share it with?
- How much is joy a part of your daily life?
- What prevents you from worshipping the Lord with passion and freedom? Where in your day do you hold back my true joy in fear of judgment of others versus pleasing God?
- Do you step back and take time to notice joy and beauty in his creation?
- When you serve others, do you do it out of obligation or do you serve with gladness?
- Have you found joy in the scriptures? Is there a particular passage that brings you joy?
- Who has had a spiritual impact on your life?
- How does God's faithfulness give you confidence as you walk through trials?

RESPOND:

Daily Training:

- Start your day this week with Psalm 100 as your morning prayer.
