

Followers Series - Serve God in Love

9/17/18

READ:

- 1 Corinthians 12:12-31
- 1 Corinthians 13:1-3

REFLECT:

- Daniel talked about discovering your skin color at the Lowe's paint department. Have you done this before? What color are you?
- What does it mean to seek unity and not necessarily uniformity? In the church? In our community?
- Why is it important for us to gather together each week and serve one another? What excuses do we make to not be here?
- Why does God give us each our own gifts? Why does Paul encourage us to desire the greater gifts?
- How do you/we serve one another with the gifts God has given how? How do we go about serving others in our community?
- Daniel talked about serving in order to help with "clicks" or with drama? Is this something that you have experienced before? Why do you think will or will not work?
- How can you serve in love or serve as Jesus did and calls us to? Where does that start for you?

RESPOND:

Monday Morning Application: Out of the love you have received from God, commit to use your giftedness to build others:

- Identify one way you can serve in our local church.
- Identify one way you can serve in our community.
