

Followers Series - Share What They Know in Love

9/30/18

READ:

- 1 Corinthians 13:1-3
- 1 Corinthians 13: 8-13

REFLECT:

- What was your initial thought on the video with the prayer box?
- Do you notice others pain? How do we make ourselves others minded and not be so concerned with our own agenda/concerns?
- What steps can you take to make yourself more others minded and focused on sharing God's love with others?
- Daniel said that one reason that we do not show the love towards others more is because we do not experience the love of God. Do you find this to be true in your life?
- How do you personally experience the love of God?
- How are we to share love with others who are strongly opposed to Christianity?
- How are you teaching your children to share the love of Christ?

RESPOND:

Monday Morning Application: Challenge yourself and/or your family to find a unique way to share love with your neighbor(s) this week. Take the opportunity to share with them the love of Christ.

- Suggestions for loving your neighbors:
 - Invite a neighbor over for a meal.
 - Do a random act of kindness (mowing a lawn, baking a pie, etc.)
 - Write an encouraging note to as many neighbors as you can.
