

Grace and Truth - Race

2/7/21

READ:

- John 1:17
- John 4
- 1 Corinthians 12:12-26
- Ephesians 4:1-6

REFLECT:

- If we were going to a big watch party (Super Bowl, Grammy's, Emmy's, etc.) what is one food that needs to be there?
- How were you educated about race when you were younger? Would you say it was helpful or hurtful to your world view?
- What are some ways the Church could be the leading example of how to treat and value people of different races and ethnicities equally?
- If you are a follower of Jesus, how has He made a difference in your life? Are there certain moments that come to mind when you think about this?
- Have there been any times in your life where your presence with someone helped heal a difficult situation? Or where someone else's presence made a situation easier for you?
- How can we be more present with those who look, sound, or act differently than we do for the sake of the Kingdom of God?

RESPOND:
