

Gideon - Out of Egypt

August 19, 2018

READ:

- Judges 6:1-16
- Psalm 81:10

REFLECT:

- What is your favorite story from the Bible? Why?
- Have you lived in freedom this week or do you feel like you are in bondage?
- What expectations do you feel like you have to live up to? Where does that come from...parents, boss, spouse, culture?
- What does deliverance look like for you? Is there anything that you can do to help move towards that?
- Do you allow God to invade your life and take control or are you still trying to do everything your way?
- How can your small group come around one another and support each other when times are difficult?

RESPOND:

Monday Morning Application: Talk to the Lord this week about your struggles and give them over to Him. Live in the tension of it not being resolved right away!
