

I AM - The Good Shepherd

January 14, 2018

READ:

- John 10:1-21
- 1 Peter 5:8

REFLECT:

- Who has had the biggest influence or impact in your life?
- Jon explained that a shepherd is someone who leads, guides, protects, and cares for sheep. Most of us do not own sheep, but what in your life do you lead, guide, protect, and care for?
- Jesus tells us in this passage that people will try and get in steal our attention for Him. What voices do you allow to speak to you? Who or what do you listen to? What lures you away? What lies do you believe?
- Oftentimes, it is no longer the voice of others whispering or shouting untruths into our hearts and minds instead we dwell on or remember lies that have been spoken to us. In those moments, we have to fight hard to overcome these lies with God's truth. What do you do to combat the lies you tell yourself or that you continually meditate upon?
- Jesus promises that when we follow him that we will find "good pasture". What would good pasture look like for you today?
- Jon stated that Jesus wants to come in our save our soul and satisfy our heart. Daniel mentioned last week that usually we are focused on the saving our soul more the satisfying our heart, and that is not God's best for us. How can you be continually satisfied in Jesus?

RESPOND:

Monday Morning Application:

- I will not go a day without adequate prayer and reading of His word? How can you know what He is telling you without it?
- I will not believe in the lies of the enemy this week.
