

Jonah - Call

10/6/19

READ:

- Jonah 1:1-17

REFLECT:

- Why do you think Jonah is such a popular kids story?
- How do we know when God is calling us to do something?
- Fear of Nineveh made Jonah disobey God, what fears do you let stop you from serving God?
- Share a time you knew God was calling you to do something, but you fled from it. What were the consequences?
- Who is God calling you to share what you know about Jesus with? Who is that person that God keeps bringing to mind? What's your next step in reaching out to them?
- Daniel talked about how Nineveh was Jonah's worst possible scenario. What or who's your worst? What would be the worst place/person that you could be called to share the Gospel with?
- What are your thoughts about how the men on the boat reacted to this whole scene? Is there something to be learned or gained by how they acted or reacted?

RESPOND:

Monday Morning Application:

- Invite one person to church this week.
- Pray for them.
- Care for them enough to show them Jesus.
