- Share one of your favorite or most helpful life hacks with the group. Have you found any that did not actually work?
- When you read through 1 Corinthians 13:4-6, which one of these stand out to you? Why do you think that is? Is there one of them that seem to come a bit easier for you?
- Who in your life do you find hard or difficult to love at times? What can you do to love those people more intentionally and deeply?
- What is the relationship between love and forgiveness? Which comes first? Can we do one and not the other?
- Love Hopes all things - this is expecting the best even when you can't see it. Hope is necessary to have belief and looking to tomorrow. Do you believe that others can truly change? Read 2 Corinthians 4:14-16. Do you have hope there is still a chance for — (fill in the blank). Spend time in your group praying for those people.
