February 11, 2018

READ:

- Ephesians 5:15-31
- Genesis 1:27
- Ephesians 5:32-33

REFLECT:

- What type of marriage/marriages did you see growing up? How have those relationships impacted you today?
- Share a time when you felt God calling you to go against culture. Does the biblical view of submission (grace-filled respect) go against culture? Why or why not?
- When you hear the word submission what do you think of? Positive or negative? How are all Christians to submit?
- Daniel stated that the purpose of marriage is to draw each other closer to God. How do you encourage your spouse to draw closer to God?
- Men, considering the 4 life hacks, which one comes most naturally and/or which one is the most challenging for you? 1. Pursue 2. Protect 3. Provide. 4. Pray
- Women, consider your life hack, respect your husband. What are some practical ways you can show respect to your husband?
- If single, what are some practical ways you can show respect to/submit to one another?
