

Life Hacks - Counter Culture

March 4, 2018

READ:

- Daniel 3:1-30
- Daniel 1:5-7
- Galatians 3:10-14
- Galatians 6:16-26

REFLECT:

- What does it mean to live or be counter cultural? How do you react to cultural pressures?
- How do we live for God when the world and people around us are doing differently? What is the world telling us to do that we know God says differently?
- Are you willing to be obedient to God no matter the cost? What cultural pressures do you feel? What “costs” are you concerned about?
- What does it mean to be obedient? How do you keep from having “obedience” become your god/the law?
- What habits or disciplines can you begin to put in to practice today that will move you towards obedience and peace?
- Are you letting anything listed in Galatians 5:19-21 control your life? How can you let God be the one in control and live by the fruits of the spirit?

RESPOND:

Monday Morning Application:

- The way you come to peace is to focus on the nature of God. The result will be a desire for obedience to God allowing the presence of the Holy Spirit to thrive in your life.
