

# Neon - Sex

11/11/18

## READ:

- James 1:13-16
- Genesis 2:15-18, 22-25
- Genesis 3:1,6-11
- Matthew 5:27-30
- Romans 12:2
- Philippians 4:8

## REFLECT:

- Trevor mentioned in his sermon that he is more of a salty snack person than a sweet snack person...what about you? Which did you prefer?
- Did your church address or talk about sex growing up? If so, how was it handled? How do you think that influenced your perception or feelings around sex?
- What is intimacy? Why do we as humans desire it? How has the world corrupted it?
- Have you ever felt shame in regards to sex? If you feel comfortable, explain why that is. How has Christ come to redeem shame in our world today?
- Trevor said that if anything becomes an ultimate thing, it can become dangerous and unhealthy. What is the thing that Satan tempts you with? How do we fight against those temptations?
- How can the church start to redeem that conversations around sex for our world, instead of the world shaping it for us?

## RESPOND:

**What's Next:** Rethink or reprogram your heart and time on the unhealthy ways you think about sex, and allow God to guide your heart toward a better way.
