

# One Thing I Wish Everyone Knew About the Path

August 5, 2018

## READ:

- Proverbs 7:6-27
- Proverbs 9:10
- John 10:7-10

## REFLECT:

- Who is someone in your life that you look to for wisdom?
- Are there choices in your life that you have been rationalizing? Where does that lead? What is the cause and effect?
- Do you feel like what you do on this earth matters? If so, what decisions you make that REALLY matter?
- Where do you go tend to go astray? Worry? Fear? Temptation? What is your weakness?
- It is easier to see the temptations of others or where others have gone wrong.... what about own life? How do you/we recognize our own blind spots?
- How do we invite God and one another into helping us overcome the things that tempt us?
- Is there anything that is keeping you from being open with God and others about your struggles? How do you/we overcome those?

## RESPOND:

**Monday Morning Application:** How do we avoid temptation?

- Identify your temptation
- Don't go near the path of seduction
- Fear the consequences
- Fill what is longing with the things of God
