

Pray Like This - Give us Our Daily Bread

5/12/19

READ:

- Matthew 6:9-10
- Proverbs 30:8-9
- Matthew 6:19-21
- Hebrews 13:5
- Luke 16:9
- 1 Timothy 6:17-19

REFLECT:

- Discuss the difference between Prosperity Gospel and Poverty Gospel? What are the differences, and how is each a false gospel?
- Share with your group the theme behind your prayer time this past week. Were you praying for others? Yourself? For things to go well for you? Or that God's will be done?
- Share your thoughts around the word Contentment? What does it mean? How can we be content in our lives today?
- What do you need to accomplish before you retire? What would give you peace? How is planning for our future different from being content with what God has provided for us here and now?
- Giving up a treasure here on earth, something that stings, should be a reminder of what? What material things have you considering giving up to allow contentment in Christ to be enough?

RESPOND:

Monday Morning Application:

- Give up something of value to you to remind you that our treasure is not on this earth.
