

Transformed - Persevere

9/1/19

READ:

- 2 Corinthians 4:16-18
- 2 Corinthians 5:7-10

REFLECT:

- What is your favorite season of the year? Why?
- Daniel talked about how the reward of following Jesus is experiencing the presence of God...how do you do this?
- In this Transformation process we are being renewed, or made new. What areas of your life have you seen this renewal happen since deciding to follow Jesus?
- What does God want you to surrender to Him, so He can make it new?
- Why would some people struggle with the idea of being made new or being transformed? Do you personally identify with any of them?
- What is the difference between “endure” and “preserver”? How do the two work together?
- How do we keep an eternal perspective on our current situation?

RESPOND:

Monday Morning Application:

- Live with an eternal perspective.
 - Live in peace on this earth, by knowing where you will live eternally.
 - Recognize that every “season of life” will not last. Focus on what will last.
 - In light of eternity...ask yourself what needs to change?
