

# Trust - His Faithfulness

9/15/19

## READ:

- Acts 9:9-19
- Hebrews 13:17

## REFLECT:

- Why is it hard to have a child like faith and trust in the Father with everything?
- If you were Ananias how would be feeling as you headed to do what God was asking of you?  
Would you have a hard time trusting Him? If it were you, would you be willing to go even though you would be putting your life in danger?
- Daniel talked about how God reveals Himself in general and specific revelation. Have you heard God speak to you through a sunset or pretty view? Has He spoke to you when reading the Bible? Spoke to you by words of a friend?
- If we truly value & appreciate the love & dedication of our pastors, why do we push off their teachings? Are they just mere suggestions? Do you put into practice the Monday morning applications?
- Have you ever been led on a spiritual journey like Saul? Have you ever been broken enough to submit yourself to the Lord? Will you choose to submit?
- Why is submission so difficult for us today? How can you take steps to submit more and more of your life to Christ? How does faith play into this?

## RESPOND:

### *Monday Morning Application:*

- Look for the ways God reveals Himself.
- Submit to His leadership.
