

# Trust - His Future

9/22/19

## READ:

- Acts 9:19-22
- Matthew 13:18-23
- Ecclesiastes 12:9
- Amos 5:18

## REFLECT:

- Why do you think the Gospel is thriving in the other countries, but stagnant here at home?
- Share a time that you were "all in" on something (maybe a team, job, relationship) and how that affected the results. Or share the opposite, a time you were not "all in" and how that affected things.
- Is God the number one priority in your life? If not, what needs to move down the priority ladder in order to make knowing and following Him number one?
- What is the thorn(s) that keeps your soul from focusing on the Lord?
- The path that God is prodding is to is the path where we need to go...but how do we work the soil of our life to know we are doing it right?
- How would you say you worship God? How much do you think about what you are singing in church on Sunday?

## RESPOND:
