

Trust - His Fellowship

9/29/19

READ:

- Acts 9:26-31
- Ephesians 4:1-6
- Matthew 16:18
- Acts 11:25-26

REFLECT:

- What allows you to trust another person or a group of people?
- Has the Church ever hurt you, let you down, disappointed you, or hurt you? If so, how did or are you healing? How could God use this to help strengthen your faith?
- Do you feel it's important to be part of a church? Why or why not?
- What would have to change in your life for you to be humble, consistent, spend time with those in your circle of influence in order to gain their trust and share with them the hope you have?
- How do you share Jesus with those around you now? How can we live daily on mission?
- Recognizing the power of action over words, how can you live your life so that people will know that you follow Jesus?
