

Upgrade - Contentment

June 10, 2018

READ:

- 1 Timothy 6:2-11

REFLECT:

- Growing up, what was communicated to you as important or valuable?
- What does it mean to worship daily, in the everyday normalcy of life?
- How do you discern if you are listening to the voice of the Holy Spirit or the voice of your own selfish ambitions?
- When is the last time you were satisfied with your life? What are the temptations that keep you from contentment?
- Have you ever had someone in your life that you have been accountable to? Are you accountable to anyone now? Describe these relationships in detail to the group.
- What does it mean to be satisfied or content because you have Christ in your life? Where do you find yourself currently?

RESPOND:

Monday Morning Application:

- Know why you want to “upgrade”.
 - Why do you want to acquire something?
 - How will you use it?
 - To whom are you accountable?
