

Vantage Point - The Centurion

March 25, 2018

READ:

- Luke 23:44-49
- John 19:32-35

REFLECT:

- What really excites you or what really makes you come alive?
- Are you excited about what Jesus is doing in your life? Do you notice what He is doing daily/weekly? Why do you think it harder for us at times to get excited about Jesus is up to?
- How can you keep yourself from becoming calloused or numb in your walk with Jesus? What does worship look like for you? How often would you say your worship God?
- What keeps Jesus from penetrating your heart? (Pride, selfishness, business, laziness, etc.)
- Have you ever had a moment like the Roman Centurion had, where he truly recognized how Jesus was? Describe that to the group? Do you think it is important to go back to that moment?
- How are you plan to prepare your heart for Easter this week? Do you have any traditions or practices that you do during Holy Week to prepare yourself?

RESPOND:

Monday Morning Application:

- Look and see Jesus in the moments around you. Worship Him, for He is Lord.
