

Vantage Point - The Empty Tomb

April 1, 2018

READ:

- John 20:1-9
- John 20:24-31

REFLECT:

- Did you have any Easter traditions growing up that you still practice today?
- Daniel talked about how we are all broken, like a glass backboard, in a million little pieces? Do you feel this way often? Why or why not?
- Easter is about celebrating that the tomb is empty...that there is complete hope and healing coming! Have you started to feel or see the healing Jesus promises in your life? How are you still needing to heal? Do you even desire to be healed?
- Have you accepted Jesus into your life and Lord and Savior? If not, what is delaying that decision?
- Do you feel like Jesus was calling you to take your “next step” in your walk with that? If so, what do you think that is?
