READ:

- John 6:1-13

- What is the specific gift that God gave you to further His kingdom?

- Which person do you feel like you identify with the most in this story? (Philip, Andrew, the boy, the crowd, other disciples, mom lunch packer??) Why?
- Read John 6:12-13. How did Jesus provide for these people? How have you seen God work/provide in amazing ways in your life?
- Giving can be something that people struggle with hearing about in church, how can we change our posture on this?
- How is God calling you to sacrifice your time, talents, money, resources, etc? Is there any area where you feel like you are holding back from God or giving begrudgingly? Or an area where you really feel God prompting you to give more or in a way that you have not given (of your time, talents, money, resources) before?
