

You Are Here - Hospitality

7/21/19

READ:

- Hebrews 13:1-2
- Luke 14:12-14
- Matthew 25:40-46

REFLECT:

- Describe to the group your favorite meal and who you would love to share it with.
- Who is one person that you know that has the spiritual gift of hospitality? How can you recognize it in someone? If this is not you, what steps can you take to be more hospitable to others?
- Why is hospitality so counter-cultural today? Why is it important for us, as followers of Jesus, to practice it?
- Why is it easier for us to practice hospitality or just be around people who are similar to us? Why does this go against what Jesus teaches?
- How do you or can you show hospitality in small acts every day?
- How can we set up our homes and our lives to be more hospitable to others? What will it require of you, personally, to do so?

RESPOND:

Monday Morning Application:

- Identify one person a day that you can be kind to in an unusual way. Try and point them to Jesus.
- **Family MMA** - Come up with a way, as a family, that you can practice hospitality with another family in your neighborhood that you do not know well. Discuss, as a family, why it is important to practice hospitality.
