

You Are Here - Evangelism

8/4/19

READ:

- John 4:27-38
- Romans 1:16
- Romans 10:14-15

REFLECT:

- What is the best way to bring up the Gospel in an everyday conversation?
- Who has sown seeds of faith in my life? Who led you to Christ?
- How or why are we inhibited to share our faith? Timing? Pride? Shyness? Fear?
- How has God used you to sow seeds in the lives of others? Share a time when God used you to lead another to saving faith in Jesus or a time you were able to share the gospel with someone who looked different from you.
- Do others see your excitement in God? If not, what steps do you need to do for others to see Jesus in you?
- What is the difference between someone who sows and a reaper?
- Do we believe God has a reward waiting for us based on our witnessing? Would you witness more if there was a tangible incentive on earth?
